Panduan Instalasi dan Penggunaan

Setelah laman Login dan Autentikasi pada aplikasi Microsoft 365, pada laman ini pastikan TelUtizen untuk '**unchecked**' box yang kami tandai

Stay signed in to all your apps

Windows will remember your account and automatically sign you in to your apps and websites on this device. This will reduce the number of times you are asked to login.

☒

Allow my organization to manage my device

① Selecting this option means your administrator can install apps, control settings, and reset your device remotely. Your organization may require you to enable this option to access data and apps on this device.

Setelah di **unchecked** silahkan teman-teman lanjutkan proses login dengan menekan tombol **OK**

[No, sign in to this app only](#)

OK

The image shows a Windows login dialog box. A black arrow points to the checked checkbox under 'Stay signed in to all your apps'. Another black arrow points to the 'OK' button at the bottom right. The text 'Setelah di **unchecked** silahkan teman-teman lanjutkan proses login dengan menekan tombol **OK**' is written below the dialog box.
