LOGIN AZURE FOR EDUCATION

The screenshot shows the Azure Dev Tools for Teaching website. A yellow callout box points to the address bar, containing the text: "Masukkan alamat website https://azureforeducation.microsoft.com/devtools". Another yellow callout box points to the "Sign In" button, containing the text: "Pilih Sign in". The website header includes the Microsoft Azure logo and navigation links: Overview, Solutions, Products, Documentation, Pricing, and Training. A cookie notice is displayed below the header. The main content area features a message to students about the transition from Imagine accounts to Azure Dev Tools for Teaching, with a "Sign in" button highlighted by a yellow box. The footer includes a link to the help guide and a student FAQ.

Students—you're almost there! The developer tools and learning resources that were previously part of your Imagine account are now available with Azure Dev Tools for Teaching. Sign in using the button below—you'll be taken to a page requesting you to sign in using a Microsoft Account. [Learn about Microsoft Accounts here.](#)

Note: Please use the email you provided for your previous Imagine subscription access when creating a new Microsoft Account.

If you are having issues getting access, please reference our [help guide](#). For additional support, please check out [student FAQ](#).

Software

Education

Windows 10 Education, Version 1809 (Updated Sept 2018)

For this multi-edition Consumer media, use a product key specific to the edition in the list you want to activate. From the desktop, select the Start button > Settings > Update & Security > Activation. Select Change product key and enter your product key. If the key is valid, you'll be asked to confirm the edition change, and Windows then performs it for you. Windows 10 Professional, version 1709 or newer, will need to be installed before using the Window 10 Pro for Workstations product key to activate the edition. Both Windows 10 Professional and Windows 10 Pro for Workstations product keys will activate Windows 10 Professional, version 1709 or newer media.
